Illinois Society of Eye Physicians & Surgeons

Chicago Ophthalmological Society

Frontiers and Controversies in Ophthalmology

14th Annual Joint Conference

Friday, March 23, 2018 ♦ Stephens Convention Center - Rosemont, Illinois

THE CONFERENCE AT A GLANCE

Clinical Session for Physicians – Rapid-fire talks on a variety of topics in all subspecialties; discussion panels take on challenging cases; three named lectures; advocacy subjects

OMIC Presentation – Learn about minimizing risk and improving patient safety; qualifies ISEPS members for the full 10% OMIC discount

Residents Working Lunch – An informal round-table discussion about “real world” issues

Practice Management Sessions – Topics for administrators and doctors, human resources issues, IT safety, adding a research component to your practice, and key legal issues

Ophthalmic Technicians – A day of lectures focused on clinical subjects, coding topics, and presentations focused on improving patient safety, as well as some hands-on opportunities.

Exhibit Hall – Learn about new products and services from nearly 50 ophthalmic companies and their representatives in a vibrant exhibit hall

Presidents’ Dinner – Join the leadership of ISEPS and COS along with your colleagues for a strictly social evening over a good meal at Gibson’s Steakhouse restaurant

OVERVIEW

This educational conference is sponsored by the Illinois Society of Eye Physicians & Surgeons (ISEPS) and the Chicago Ophthalmological Society (COS). Now in its 14th year, the meeting offers a wide range of clinical and practice management topics that will appeal to ophthalmologists in a variety of practice settings, as well as their administrative and technical staff.

ABOUT THE SPONSORS

ISEPS – The statewide association representing individual ophthalmologists and practices in areas relating to advocacy, practice management and training. **COS** – The oldest local ophthalmological society in the nation, established in 1893 and celebrating its 125th year, providing superior clinical education to practicing ophthalmologists, as well as residents and fellows in training.

INTENDED AUDIENCE

Practicing Ophthalmologists • Residents and Fellows in Training
Ophthalmic Technicians and Assistants • Practice Administrators/Managers
