Illinois Society of Eye Physicians & Surgeons

Chicago Ophthalmological Society

Frontiers and Controversies in Ophthalmology 15th Annual Joint Conference

Friday, March 8, 2019 ♦ Stephens Convention Center - Rosemont, Illinois

THE CONFERENCE AT A GLANCE

Clinical Session for Physicians – Rapid-fire talks on a variety of topics in all subspecialties; discussion panels take on challenging issues; three named lectures; advocacy subjects

OMIC Presentation – Learn about minimizing risk and improving patient safety; qualifies ISEPS members for the full 10% OMIC discount

Residents Working Lunch – An informal round-table discussion about “real world” issues

Practice Management Sessions – Topics for administrators and doctors with management responsibilities, human resources, IT security, coding items, advocacy and key legal issues

Ophthalmic Technicians – A day of lectures focused on clinical subjects, coding topics, and presentations focused on improving patient safety, as well as the benefits of earning a certification.

Exhibit Hall – Learn about new products and services from nearly 50 ophthalmic companies and their representatives in a vibrant exhibit hall

Presidents’ Dinner – Join the leadership of ISEPS and COS along with your colleagues for a strictly social evening over a good meal at Gibson’s Steakhouse restaurant

OVERVIEW

This educational conference is sponsored by the Illinois Society of Eye Physicians & Surgeons (ISEPS) and the Chicago Ophthalmological Society (COS). Now in its 15th year, the meeting offers a wide range of clinical and practice management topics that will appeal to ophthalmologists in a variety of practice settings, as well as their administrative and technical staff.

ABOUT THE SPONSORS

ISEPS – The statewide association representing individual ophthalmologists and practices in areas relating to advocacy, practice management and training. **COS** – The oldest local ophthalmological society in the nation, established in 1893 and having completed its 125th year, COS provides clinical education to practicing ophthalmologists, as well as residents and fellows in training.

INTENDED AUDIENCE

Practicing Ophthalmologists • Residents and Fellows in Training
